

What Is ADA Floor Plan Development?

Stanley Nakamura, AIA (January 2018)

ADA Floor Plan Development begins from the Space Plan floor design.

ADA Floor Plan Development must follow the Dept. of Justice, 2010 ADA Standards for Accessible Design.

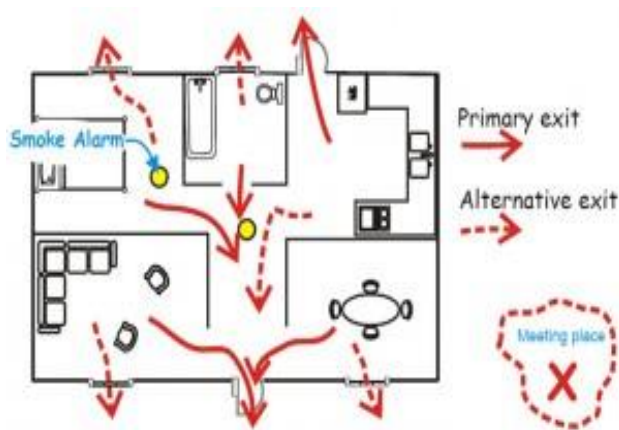

ADA Floor Plan Development is for Public Buildings Spaces and is not intended for Private Residential Spaces.

ADA Floor Plan Development may affect new construction or remodeling projects.

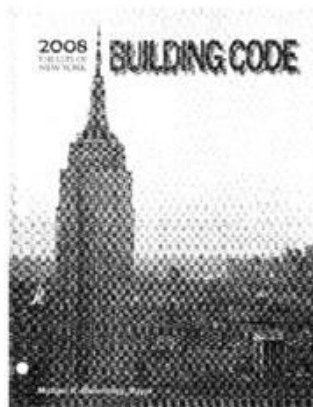

ADA Floor Plan Development focuses on building circulation and restroom design.

ADA Floor Plan Development is based upon the movability of a standard size wheelchair.

ADA Floor Plan Development avoids building code related conflicts.
