

Space Planning Made Simple

Stanley Nakamura, AIA (January 2018)

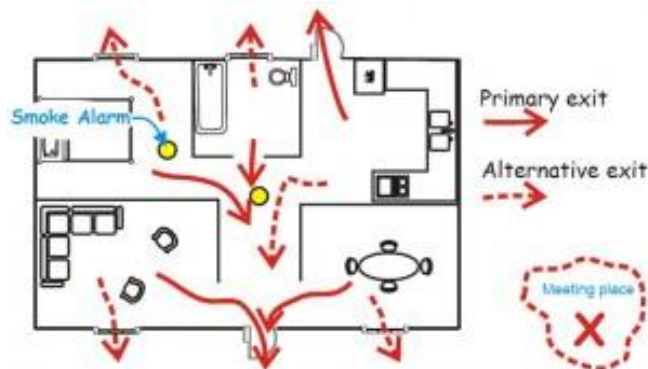

- A Space Plan visually shows in plan the areas or furniture layout of the space.

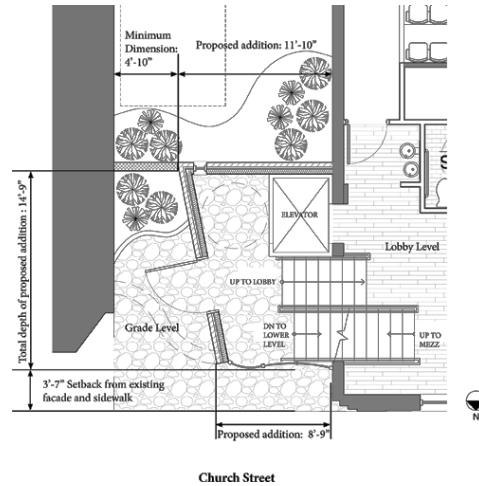

- The Space Plan can be color coded to highlight special areas.

- A Space Plan can show potential circulation or exiting issues.

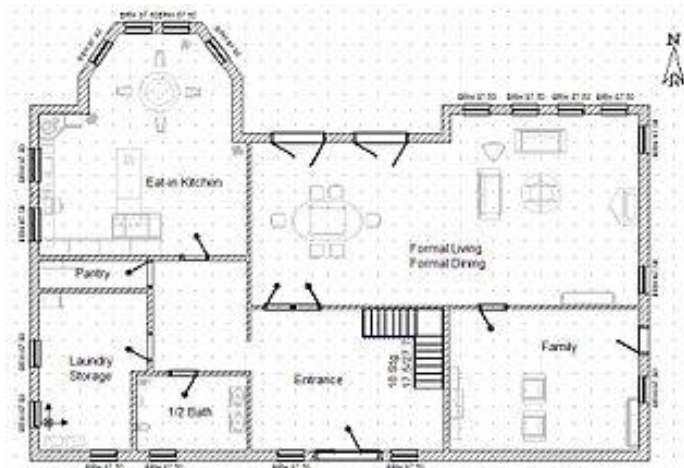

- A Space Plan can show potential ADA requirement issues.

- The Space Plan is sometimes used in Lease Agreements.

- Floor plan changes can be easily accommodated in a Space Plan.

- The Space Plan is the foundation to the Construction Documents.
